

Year 9 Enrichment Curriculum

Newfield Sports News

We took 13 boys out to represent Newfield for a full day of football,

The attitude of all 13 boys was exemplary, we were so thrilled with how they conducted themselves on and off the pitch, they really are a credit to our school. Keep it up boys!

Spring Newsletter 2022

Message from our Acting Headteacher:

What a busy term it has been at Newfield. Highlights for me include gymnastics sessions with Beth Tweddle coaches, Lower School football matches, Apple of my Eye Chinese New Year cooking event, music workshops, class trips to museums, assemblies from Sergeant Preston one of our school governors/ The Lady Mayor of Sefton and our five new fluffy arrivals!

Next Term promises to be as busy and we hope that the warmer weather will force a downturn in Covid cases within our school community. Staff, pupils and parent / carers have all been continuing to care for each other by following Government advice this term. Thanks to all for testing and isolating whenever required, helping keep cases down to a minimum.

Good luck to all of our Year 11s who will sit their final examinations in May / June. In the words of American writer Carl Bard: "Although no one can go back and make a brand new start, anyone can start from now and make a brand new ending." Make the best of your final term at Newfield and enjoy all that college has to offer next year.

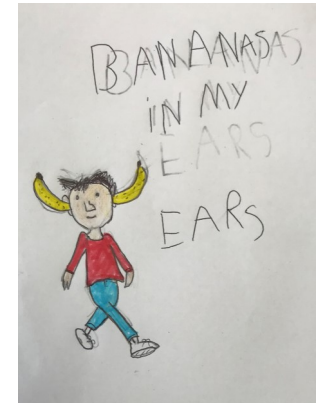

Happy Easter everyone!

See you all on Tuesday 19th April 2022

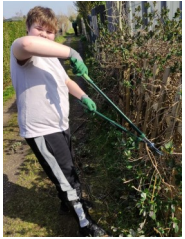

Mr Griffiths.
